CHAPTER 7 ORDINANCE FOR MAYORS SALRIES

BE IT ORDAINED BY THE BOARD OF ALDERMEN THAT CHAPTER 7 OF THE CODE OF CHICOPEE FOR THE YEAR 1991, AS AMENDED BE AND HEREBY IS FURTHER AMDENDED BY STRIKING OUT SALARIES AS THEY PERTAIN TO THE FOLLOWING NAMED ACCOUNT AND INSERTING IN PLACE THEREOF THE FOLLOWING:

TO BE OPERATIVE JULY 1, 2008

MAYORS SALARIES

MAYOR	\$95,000.00
-------	-------------

Melvin Brown of 56 Roy Street stated this is a violation of the rule # 11 and 29 of The Board of Aldermen. He also stated that in his lifetime he has never received a 46% raise. In his raise he receives 3% and these are the reasons why he is against the mayors proposed raise.

Alderman Tillotson stated in response that he has been in contact with the City Solicitor and there are no laws being broken. Even though this is a new sub-committee board there are no legal issues.

David Amo of 72 Fairway Drive stated this raise is long over due and believes the mayor is underpaid. He is all in favor for the proposed raise.

Mayor Bissonnette (provided a visual chart to show to the board) stated he would like to catch up to other town salaries in one raise. He also stated that other towns have half the population of Chicopee, for instance if you were to add Springfield's population with

Agawam's you would then receive the population of Chicopee. Mayor Bissonnette strongly believes it is time to do this for the city's elected officials.

Alderman Tillotson stated Chicopee is not the richest city. In spite of it all Chicopee is not a highly paid city as it is. He also explained that compared to other cities and in all fairness, Chicopee's Mayors Office has more staff then other cities.

Alderman Krampits asked Mayor Bissonnette why the order of recommendations says \$85,000 and he is asking \$95,000.

Mayor Bissonnette responded that the range goes from \$85,000-105,000 in three steps so he decided to go for the median salary of \$95,000 in one step.

Alderman Krampits then asked the Mayor how this in relationship to department heads.

Mayor Bissonnette responded that the department heads are now making a salary in the \$55,000-85,000 range and that the School Superintendent makes twice as much as the mayor. He also stated he believes that he is the first mayor to help out department Heads.

Alderman Moreau commented to increase the salary to \$85,000.

Alderman Demers stated that no one is really in disagreement to the raise, just the amount of the jump in one time. Supports Alderman Moreaus idea.

Alderman Brooks stated he has received a lot of calls and the only issue the public is having is, like Alderman Demers stated, the amount of money in one jump scares people. He thinks an incremental approach is the best way to go about this matter and believes we can get there in two years.

Alderman Vieau stated he is comfortable with the increases the way they have been presented at tonight's meeting.

Alderman Tillotson stated that if they take Alderman Moreau's take of \$85,000 now, then he could come back next year.

Alderman Krampits stated he feels better off if the raise was more fazed then to jump into it all at once.

Motions made by Alderman Moreau for \$85,000 as of now and to have the Mayor put in ordinance or fiscal year 2009 for \$95,000.

Motion passed. 5-0 Favorable

CHAPTER 7 ORDINANCE FOR TREASURER SALARIES
BE IT ORDAINED BY THE BOARD OF ALDERMEN THAT CHAPTER 7 OF THE
CODE OF CHICOPEE FOR THE YEAR 1991, AS AMENDED BE AND HEREBY IS
FURTHER AMDENDED BY STRIKING OUT SALARIES AS THEY PERTAIN TO THE
FOLLOWING NAMED ACCOUNT AND INSERTING IN PLACE THEREOF THE
FOLLOWING:

TO BE OPERATIVE JAN 1, 2008

TREASURERS SALARIES

TREASURER

\$75,000.00

Ernest LaFlamme (City Treasurer) stated it has been 43 years since he has ever asked for a raise. People have come up to him and told him to accept the pay or to leave the job whereas for years others tell him he is crazy to work for what he is making. He stated that his sons that work for him make two times as much money as he does. He has worked for the City of Chicopee because he wants to and he enjoys it but now that the Mayor has stood up and asked for the proposed raises he wants his raise that he deserves. Mr. LaFlamme finally stated that when he pays his employees, he pays them well and when they work hard, he pays them even better and feels that he should be treated the same.

Melvin Brown of 56 Roy Street stated again that this is a breaking the Code of Rules made by the Board of Alderman.

Dan Garvey in response then stated the orders are properly done.

David Amo of 72 Fairway Drive stated the city should pay the people what they are worth and he is in full support.

Virginia Robak stated this is very long overdue, it is the elected officials that never get their raise. They are promised for the raises in upcoming years and then never get appointed and she has only been working here for 11 years.

Alderman Tillotson stated the Treasurer's position is definitely extremely important.

Alderman Vieau stated he strongly supports this and is glad that Ernie LaFlamme has stuck it out these many years.

Alderman Moreau believes the position of Treasurer is worth even more than that.

Motion made by Alderman Moreau to accept and move to full board.
Motion Passed. 5-0 Favorable

CHAPTER 7 ORDINANCE FOR COLLECTORS SALARIES
BE IT ORDAINED BY THE BOARD OF ALDERMEN THAT CHAPTER 7 OF THE
CODE OF CHICOPEE FOR THE YEAR 1991, AS AMENDED BE AND HEREBY IS
FURTHER AMENDED BY STRIKING OUT SALARIES AS THEY PERTAIN TO THE
FOLLOWING NAMED ACCOUNT AND INSERTING IN PLACE THEREOF THE
FOLLOWING:

TO BE OPERATIVE JAN 1, 2008

COLLECTORS SALARIES

COLLECTOR

\$75,000.00

Mayor Bissonnette asked for the Collector's salary be accepted and passed in the same format as the Treasurer. In fairness and equity the terms of salary should be the same as the Treasurer, as it has always been.

Motion made by Alderman Moreau to change to \$65,000.

Alderman Demers agree with Alderman Moreau, he stated that \$49,000 to \$75,000 is a bit too much. He would rather take smaller steps then one large one.

Alderman Krampits agrees with both Alderman Moreau and Alderman Demers. Stated that what Alderman Moreau has proposed is fair.

Alderman Belair also agrees. He stated when he took a look at other cities; the Collector has always been lower in salary compared to the Treasurer. Believes \$65,000 is good for now.

Tillotson stated to delete \$75,000 and lower to \$65,000. Then the Mayor can come back in 1 year to adjust a higher salary.

Motion Passed. 5-0 Favorable

CHAPTER 7 ORDINANCE FOR ASSESSORS SALARIES
BE IT ORDAINED BY THE BOARD OF ALDERMEN THAT CHAPTER 7 OF THE
CODE OF CHICOPEE FOR THE YEAR 1991, AS AMENDED BE AND HEREBY IS

FOLLOWING NAMED ACCOUNT AND INSERTING IN PLACE THEREOF THE
FOLLOWING:

TO BE OPERATIVE JAN 1, 2008

ASSESSORS SALARIES

ASSESSORS	\$65,000.00
-----------	-------------

Melvin Brown of 65 Roy Street states the raise is excessive and it breaks the Code of Rules by the Board of Aldermen.

Laura McCarthy stated she is willing to go over anything and everything they do in the office. It is fair pay with this raise and comfortable compared to surrounding communities. She also stated they have asked for 3% as all other employees were then told that more study would be put into it and it never happens. She then explained they are the lowest paid and still will be if given their deserved raise.

Alderman Moreau stated \$60,000 is a fair raise.

Alderman Belair agrees and stated to let the Mayor come back next year to move to \$65,000.

Alderman Moreau state in the past when it came to giving raises, the Assessors were the ones always forgotten.

Motion made by Alderman Moreau for \$60,000.

Motion accepted. 5-0 Favorable

CHAPTER 7 ORDINANCE FOR CITY CLERK SALARIES
BE IT ORDAINED BY THE BOARD OF ALDERMEN THAT CHAPTER 7 OF THE

FOLLOWING NAMED ACCOUNT AND INSERTING IN PLACE THEREOF THE
FOLLOWING:

TO BE OPERATIVE JAN 1, 2008

CITY CLERK SALARIES

CITY CLERK	\$75,000.00
------------	-------------

Keith Rattell (City Clerk) first asked to be fair, as he was once on the committee and understands they are always fair. He stated that the range from other cities is anywhere between \$70,000-72,000 so anywhere from there and \$75,000 he would be more than happy with. Rattell also explained that he understands he is new to the position but he is not new to government and how things run considering he has 14 years of experience.

Motion made by Alderman Moreau for \$65,000.

Alderman Demers stated that again, the Mayor can come back next year and propose another raise.

Motion passed. 5-0 Favorable

CHAPTER 7 ORDINANCE FOR SCHOOL COMMITTEE SALARIES

FOLLOWING:

TO BE OPERATIVE JULY 1, 2008

SCHOOL COMMITTEE SALARIES

SCHOOL COMMITTEE (10)	\$7,000.00
VICE CHAIRMAN (1)	\$7,500.00

Mayor Bissonnette stated that he respects the school committee and didn't know the hours they put in until just recently. This job and being an Alderman takes time away from family, other jobs etc. He then stated that this pay raise is a good idea.

Alderman Brooks stated the School Committee is just as deserving for a raise as anyone else. They spend a lot of time and energy going make our schools better for the children of our city.

Alderman Tillotson stated that as an Alderman he sees that they make the best salary compared to other surrounding communities.

Alderman Brooks stated he strong feels the School Committee deserves their raise.

Motion made by Alderman Moreau to accept Mayors recommendations.
Alderman Tillotson opposed.

Alderman Krampits stated maybe \$6,000 is good so they can as least have little bump up. Think this is a fair compromise.

Alderman Belair agrees with Alderman Krampits and then once again, let the Mayor come back next year.

Motion made by Alderman Moreau to withdraw last motion and Motion \$7,000 to \$6,000 and \$7,500 to \$6,500.

Alderman Vieau stated that neither the School Committee nor Board of Alderman do this for the money.

Motion Passed. 5-0 Favorable

ALDERMEN (12)	\$12,000.00

Alderman Belair stated to go with recommendation but to keep \$1,000.00 different between the President of the board and Alderman.

Motion made by Alderman Moreau to change \$14,000 to 13,000 and to keep \$12,000.
Motion Passed. 5-0 favorable
